

IEEE MI-STA 2027

IEEE 6th International Maghreb Meeting of the Conference on Sciences and Techniques of Automatic control and Computer Engineering. April 25 – 27, 2027, ALBAYDA- LIBYA

Special Session Proposals – Guidelines and Requirements

IEEE MI-STA 2027 invites proposals for special sessions addressing emerging research challenges, innovative technologies, and interdisciplinary topics within the scope of the conference. These sessions aim to complement the regular technical program by providing a dedicated forum for presenting recent advances, current research trends, and state-of-the-art developments in both academia and industry, with particular emphasis on specialized and interdisciplinary topics of increasing scientific and technological significance. Researchers and academics interested in organizing a special session are encouraged to submit proposals and assume responsibility for promoting the session, coordinating paper submissions, and overseeing the peer-review process in accordance with the conference's review policies and procedures, in their roles as Session Chairs or Co-Chairs.

Proposal Submission Guidelines

Each Special Session Proposal should be submitted in PDF format and include the following information:

1. **Proposed Session Title.**
2. **Names and Affiliations of the Organizers.**
3. **Email Address of the Main Contact Person.**
4. **Brief Biographical Notes of the Organizers.**
5. **Overview and Rationale of the Proposed Session**
6. **Key Topics and Research Areas.**
7. **Potential Contributors and Participants.**
8. **Draft Call for Papers (CFP), prepared using the official conference template.**

Proposal Requirements

- **The proposal should not exceed two (2) pages, including all required information.**
- **The session overview and description should be between 200 and 500 words.**

Paper Submission and Review Policy

- **Each special session must include at least five (5) submitted papers.**
- **No individual author may be listed as a co-author on more than two (2) papers within the same special session.**
- **To retain a special session in the final conference program, at least three (3) papers must be accepted following the peer-review process. If fewer than three papers are accepted, the session may be merged with another session or cancelled.**
- **All submitted papers will undergo the same rigorous peer-review process and be subject to the same evaluation standards and acceptance criteria as papers submitted to the regular technical sessions.**
- **The Special Session Chair is responsible for assigning reviewers and coordinating the review process, ensuring that each submitted paper receives at least three (3) independent reviews.**

Free Registration for Special Session Chairs

A Special Session Chair will be entitled to free registration covering their own paper, provided that the session includes at least five (5) registered papers: The Chair's paper and four (4) additional registered papers.

Proposals should be submitted in PDF format via email to: -
The Special Session Chair: nasar-shashoa@ieee.org

Important Dates:

Deadline for Proposals Submission:
November 20th, 2026

Notification of the Proposals Acceptance:
November 30th, 2026

Special-Session Paper Submission Deadline:
January 15th, 2027

Acceptance Notification:
February 28th, 2027

Final Registration Deadline:
March 20th, 2027

Camera-Ready Submission:
March 30th, 2027

Conference Dates:
April 25 – 27, 2027

Special Sessions Chairs:

- **Nasar Aldian SHASHOA (Libya)**
- **Assem THABET (Tunisia)**
- **Aeid A. Abdulrazeg (Libya)**
- **Naima Hamad (Libya)**
- **Daw Sassi (Libya)**
